Product Datasheet

Subfloor preparation

Power X 1600

1600 watt 2-speed stirrer with speed control

PRODUCT DESCRIPTION:

1600 watt 2-speed stirrer for mixing thin and thick-bodied mortar (e.g. filler, coatings, tile adhesive)

ACCESSORIES:

68353	Extension (200 mm)
13604	Stirrer Type MK 120mm
13611	Stirrer Type MK 160mm
17057	Stirrer, type KR 120S M14

TECHNICAL SPECIFICATIONS:

Voltage	230 V
RPM	780 RPM
Weight	5 kg

PRODUCT BENEFITS/FEATURES:

- Robust 2-speed transmission
- Speed regulation in 3 adjustable maximum speeds
- Presettable maximum speed 1st gear: 210/325/530 rpm
- Presettable maximum speed 2nd gear: 320/490/780 rpm
- Max. diameter for mixer: 160 mm
- Tool holder M14
- Ergonomic handles on the drive
- Full wave electronics: soft start, temperature monitoring, overload protection
- Excellent for mixing larger containers up to 75 kg (in connection with the WOLFF mixing station 75 l)
